Forward Looking Statements

Some of the statements contained in this presentation constitute forward-looking statements within the meaning of the federal securities laws. Forward-looking statements relate to expectations, projections, plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts. In some cases, you can identify forward-looking statements by the use of forward-looking terminology such as “may,” “will,” “should,” “expects,” “intends,” “plans,” “anticipates,” “believes,” “estimates,” “predicts,” or “potential” or the negative of these words and phrases or similar words or phrases that are predictions of or indicate future events or trends and that do not relate solely to historical matters. You can also identify forward-looking statements by discussions of strategy, plans or intentions.

The forward-looking statements contained in this presentation reflect our current views about future events and are subject to numerous known and unknown risks, uncertainties, assumptions and changes in circumstances that may cause actual results to differ significantly from those expressed or contemplated in any forward-looking statement.

While forward-looking statements reflect our good faith projections, assumptions and expectations, they are not guarantees of future results. Furthermore, we disclaim any obligation to publicly update or revise any forward-looking statement to reflect changes in underlying assumptions or factors, new information, data or methods, future events or other changes, except as required by applicable law. For a further discussion of these and other factors that could cause future results to differ materially from those expressed or contemplated in any forward-looking statements, see the section entitled “Risk Factors” in our most recent Annual Report on Form 10-K and in our subsequent SEC filings.

Additional Information

As previously disclosed (i) the Company is expected to issue approximately 11.6 million shares, subject to adjustment, of the Company’s common stock (the “Issuance”) in a private placement to CW Financial Services LLC (the “Seller”), at the closing of the announced pending acquisition by the Company’s indirect wholly owned subsidiary, Walker & Dunlop, LLC, of CWCapital LLC, a direct wholly owned subsidiary of the Seller, and (ii) pursuant to the rules of the New York Stock Exchange, the Issuance is subject to approval of the Company’s stockholders.

The Company and its directors and officers may be deemed to be participants in the solicitation of proxies from stockholders of the Company in connection with the approval of the Issuance. Information about the directors and executive officers of the Company and their ownership of the Company’s shares is set forth in the definitive proxy statement for the Company’s 2012 annual meeting of stockholders, filed by the Company with the SEC on April 26, 2012, and in the Company’s statements of changes in beneficial ownership filed on Form 4.

On July 26, 2012, the Company filed with the Securities and Exchange Commission (the “SEC”) a definitive proxy statement related to the Issuance and has mailed the definitive proxy statement and other relevant documents to the Company’s shareholders. The definitive proxy statement, and any other documents filed by the Company with the SEC, may be obtained free of charge at the SEC’s website at www.sec.gov or the Company’s website at www.walkeranddunlop.com. Investors should read the definitive proxy statement carefully before making any voting decision because it contains important information.

Ongoing Strategic Plan

Grow core business and market share

- Become top 5 lender for Fannie Mae, Freddie Mac and HUD (with CWCcapital acquisition)
- Close CWCcapital transaction
- Integrate CWCcapital operations

Diversify lending operations

- Grow capital markets originations in order to gain access to deal flow, broaden client base, diversify property types (retail, hospitality, office), and capital sources (Life companies and CMBS)
 - Hired major team in Florida - March
 - Hired major team in Wisconsin - June
 - Non-GSE/HUD originations grew to 31% of originations in the first half of 2012 from 18% in the first half of 2011
- Add capital markets origination talent in western United States

Create proprietary sources of capital

- Interim Loan Program
- Grow assets under management, servicing portfolio and associated revenues
- Diversify sources of capital and establish proprietary funding sources for multifamily and non-multifamily lending
 - Balance Sheet
 - Investment Funds
 - Mortgage REIT

- Retain exceptional talent
- Maintain exceptional credit discipline
- Maintain strong margins
